"Forward

Gimma Buick Company is now proudly presenting the new 1958 Buicks at their showroom, Highway 90, West Beach Blvd. Mr. John P. Gimma, owner of the company, invites all the people from Bay St. Louis and the neighboring area to come in and see Buick's tribute to General Motors' 50th Anniversary Year. He enthusiastically advises that everyone drive this new concept in automobiles and see why Buick has been both 4th and 3rd in national position for over 19 years. Some of the advanced features on the Air-Borne B-58 which, by the way, was named in honor of the new Jet Bomber, include a complete new light pitched Dynaflo, a new B-12,000 engine, air-ride suspension which adjusts the car height constantly no matter how the weight is dispersed. All of these features are available on 28 stunning models and for the most discriminating people whose taste is unlimited, Buick introduces the fabulous Limited 700 series - a completely new concept in luxury motoring. Mr. Gimma added, "IF YOU CAN AFFORD ANY NEW CAR YOU CAN AFFORD A NEW BUICK."
